INTRODUCTION

Professional and technical competency is one of the corner stone of the audit profession. As adequate job knowledge is vital for any audit staff to perform their task effectively and efficiently, professional accounting bodies have made professional competency mandatory for its members. Several auditing standards have provided requirements on specific areas that need to be addressed by an auditor in an audit of financial statements

LEARNING OBJECTIVES

At the end of the program, the participants will have acquired adequate knowledge on:

- ❑ Understanding and applying the relevant auditing approach for gathering audit evidence for selected items relating to observance of physical inventory counting and litigation and claims involving an audit entity;
- ❑ Properly undertaking external audit confirmations; and
- ❑ Effectively performing an initial audit engagement where the auditor takes over an audit from a predecessor auditor.

METHODOLOGY

PowerPoint Presentations, Illustrations, Q & A and webinar assessment.

WHO SHOULD ATTEND

Audit seniors and above.
